COUNTY'S  
TOP DOCTORS  
2024**

**BERGEN COUNTY IS HOME TO SOME OF THE MOST PROMINENT AND SOUGHT-AFTER PHYSICIANS IN THE COUNTRY.**

To help you find the best of the best, across more than 60 specialties, BERGEN magazine commissioned Professional Research Services (PRS) of Troy, Michigan to conduct a peer-review survey of thousands of practicing and active physicians across the county. Doctors were asked to select peers whom they deem are the best within their practice areas and whom they would seek out for particular procedures.

All the final honorees were fact-checked with the State of New Jersey and the New Jersey Division of Consumer Affairs License Verification System. The highest vote getters within each specialty who are in good standing with the state are included here in the 2024 "Bergen County's Top Doctors" list.

While not every outstanding area doctor is listed in the 2024 "Bergen County Top Doctors" list, we think you will find it to be a valuable resource in the future for all your physician needs.
