AT BAXT COSMEDICAL, one of Bergen County's premier Centers for Cosmetic and Medical Dermatology, we offer a vast array of cosmetic enhancement technology and advanced non-invasive face and body rejuvenation services. Dr. Rebecca Baxt delivers outstanding patient care and excellent customer service with the latest technology available to help you reach your fullest and healthiest potential. You will find our staff and facility to be warm and welcoming. We pride ourselves on being at the forefront of advancements in aesthetic medicine. Call us for a refreshingly honest consultation with a Board-Certified Dermatologist who is an expert injector, and who administers all injections herself on her patients. Dr. Baxt teaches other physicians best practices in aesthetic medicine and she's a Certified Botox[®] Cosmetic, Juvéderm[®], Voluma[™], Volbella[®] and Kybella[®] trainer. Dr. Baxt is also well-known for her expertise in treating acne, rosacea, eczema, hair loss, rashes, skincare and skin cancer.
